

CORONAVIRUS (COVID-19) COMMUNICATIONS

April 20, 2020

To: Austal USA's Supplier Base

Subject: Austal USA Face Covering Requirement - Update

1. This letter updates Austal USA's previous guidance published
2. Effective immediately, if working aboard any Austal USA ship at any stage of construction, all suppliers and subcontractors are required to wear face coverings.
3. As a reminder, all Austal supplier information concerning COVID-19 can be found at <https://suppliers.austalusa.com>
4. Please continue to keep us informed (email supplierinfo@austalusa.com) of any impacts you are experiencing that affect your ability to provide material and services to the Austal USA Shipyard. We will keep you informed of new developments as they emerge. Please provide information including:
 - a. Schedule Impact, including revised known or estimated delivery date
 - b. Cost Impact, and rationale (such as a sub-tier supplier has been impacted)
 - c. Any other impacts to the Material, Equipment or Services provided
5. Thank you for continuing your service to Austal USA and our nation during these challenging and difficult times.

Very Truly Yours,
